

## SNACKS

Drinking alone is never a good idea.

Complement your cocktail  
with some delicious snacks.

Our chefs have composed a thrilling selection of  
small bites that will give you an insight to the  
explosive flavors of our Southeast Asian kitchen.

## FARANG BAR SIGNATURES

These are the cocktails our guests come back to  
enjoy over and over again.

We are proud to present a solid line-up of favorites  
that will make your fantasy spur.

Our bartenders mix our signature cocktails with  
genuine craftsmanship combined with  
Asian flavors and freshness.

Here you can find our own creations as well as  
Farang's take on the classic cocktails that lets your  
mind travel to distant beaches.

absolut vodka, coriander, lemon, tomato,  
house mix (contains fish and shellfish), lemongrass

snacks may be ordered between 5 – 10 pm

142,-

## SWIZZLES & BUCKETS

Why not dream away to a warmer place?  
This is our homage to the swizzles and buckets that  
in ice filled, fogged glasses intrigue with their  
freshness and full flavors.

The swizzle is said to originate from the first  
ice houses in Barbados, and has become the classical  
Caribbean choice of drink for a hot day.

The name refers to the preparing technique using a  
stick from the Quararibea Turbinata tree to stir,  
or *swizzle*, the fresh herbs and ice  
with the other ingredients.

So, when you feel like having a mojito we invite you  
to give its richer, more developed cousin a chance.

The bucket on the other hand has been a scorned  
thirst quencher that we would like to give a little  
more respect. With inspiration from the Thai full  
moon parties we present you with an elaborated,  
refined take on this epic Thai bucket.

### SWIZZLES

#### LADY BOI SWIZZLE

## HOUSE CREATIONS

Do you wish to try something entirely new?  
Here you find the cocktails that showcase the talent  
and ingenuity of our dedicated bartenders.

Farang's dishes, a product in season or perhaps a  
newly arrived spirit inspire our bartenders  
to new and bold creations.

We strive to stay alert and in constant development.

Therefore our house creations  
are frequently updated.

This is where you find the future classics.

## VIRGIN COCKTAILS

With stringent flavors these innovative non-alcoholic cocktails introduce you to a new dimension of beverages. Our bartenders mix fresh ingredients and homemade tinctures with great care to put a final touch to our virgin cocktails. The inspiration comes from the flavors and aromas of Southeast Asia and they are a lovely complement to our cuisine here at Farang.

MARKUS GRANDELL  
lemon, ginger,  
chili sugar, soda water

LYCHEE LEMONADE  
lychee, lime, sugar,  
mint, soda water
